ADITYA KUMAR JHA

Full Stack Developer | AI-Driven Applications | B.Tech CSE (AI)
Kanpur, Uttar Pradesh | +91 8957851787 | 2k24.csai1a.2412094@gmail.com
Portfolio | LinkedIn | GitHub | LeetCode | HackerRank

PROFESSIONAL SUMMARY

Full Stack Developer and B.Tech CSE (Artificial Intelligence) student with hands-on experience building production-style web applications using React, TypeScript, Firebase, and the Google Gemini API. Strong foundation in Data Structures & Algorithms with 200+ DSA problems solved on LeetCode in C++ and a HackerRank 5-Star Gold Badge in Problem Solving. Co-inventor on a published Indian patent application for an IoT-based smart irrigation system. Seeking an SDE / Full Stack Engineer opportunity to build reliable, AI-powered products.

TECHNICAL SKILLS

Programming Languages: Python, C/C++, Java, JavaScript, TypeScript, SQL
Frontend: React, Vite, HTML5, CSS3, Flutter (introductory)
Backend & Databases: Server-side API development, Firebase Authentication, Cloud Firestore, Cloudinary, DBMS
AI & Data: Google Gemini API integration, Introductory Machine Learning, Python for Data Science
Core CS: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems
Tools & Practices: Git, GitHub, VS Code, Android Studio, Input Validation, API Rate Limiting
Languages: English, Hindi

PROJECTS

IntervuIQ — AI-Powered Interview Preparation Platform *Live Demo: intervu-iq.onrender.com*
React | TypeScript | Vite | Firebase Authentication | Cloud Firestore | Google Gemini API | Cloudinary

- Engineered a full-stack web application (React/TypeScript/Vite frontend with a server-side backend) that uses the Google Gemini API to deliver AI-powered mock interviews and personalized feedback for students and job seekers.
- Built a DSA Prep Hub with 120+ curated questions, a centralized multi-filter pipeline (company, topic, difficulty, pattern, solved status, search), and an AI DSA Coach for topic-specific guidance.
- Developed a real-time Speech Coach that analyzes speaking volume, filler words, and pace (WPM), and a Resume Analyzer that produces ATS-style scores with AI-generated feedback.
- Implemented Firebase Authentication and Cloud Firestore for user-isolated data, interview history, and personalized learning roadmaps.
- Secured the application by keeping API secrets server-side and adding input validation and rate limiting; integrated Cloudinary for resume and profile uploads.

ACADEMIC PATENT

Intelligent Irrigation Control System with Automated Watering Based on Real-Time Data
Indian Patent Application No. 202511077093 A | Filed 13/08/2025 | Published 05/09/2025 (Patent Office Journal No. 36/2025)

- Co-inventor in a 10-member team; designed a system that automates a water pump using a soil moisture sensor and relay, with DHT11 temperature/humidity sensing, PIR-based field security, and a local I2C display.
- Integrated the Blynk IoT platform via an ESP8266 Wi-Fi module, enabling farmers to monitor and control irrigation remotely from a phone, including in remote agricultural regions.

EDUCATION

B.Tech in Computer Science & Engineering (Artificial Intelligence) *2024 – Present (Expected 2028)*
Pranveer Singh Institute of Technology (PSIT), Kanpur — Affiliated to AKTU

- Overall CGPA: 8.5 / 10.0 (SGPA Sem 1: 8.41 | Sem 2: 8.41 | Sem 3: 8.52 | Sem 4: 8.45)

Senior Secondary (CBSE) *2024*
Gaurav Memorial International School, Kanpur (UP) — 85.1%

Secondary (CBSE) *2022*
Gaurav Memorial International School, Kanpur (UP) — 90.02%

CERTIFICATIONS & WORKSHOPS

AI & Cloud

- **AI Infrastructure and Operations Fundamentals** — NVIDIA Training (Coursera), 12 August 2026 | Verify: coursera.org/verify/XS36A92INGIJ

Programming & Technical Skills

- HackerRank: Skill Certificates in Python, SQL, and Problem Solving; 5-Star Gold Badge in Problem Solving.
- Infosys Springboard: Programming Fundamentals using Python – Part 1 (9 October 2025); HTML5, Python for Data Science, and CSS3.
- LeetCode: 200+ DSA problems solved in C++; 50 Days and 100 Days Badges (2026).

Development & Workshops

- Simplilearn SkillUp: Introduction to Flutter Course (10 December 2025).
- Generative AI Workshop — Techgyan Technologies, held at IIT Kanpur (Antaragni), 17 August 2025.
